## Atira Women's Resource Society 25th Anniversary

Atira Women's Resource Society is a social (not-for) profit organization committed to the work of ending violence against women through the provision of direct service, as well as working to increase awareness of and education around the scope and impact on our communities of violence against women and children. Atira is especially committed to supporting women, youth and children who are further marginalized by their struggles with substance use, mental illness, poverty, racism and other forms of oppression. Atira is celebrating its 25th anniversary in 2008. For more information please visit our website: [www.atira.bc.ca](http://www.atira.bc.ca)

## Vancouver Japanese Language School & Japanese Hall

Established in 1906, VJLS-JH is a community centre dedicated to the promotion and preservation of Japanese language, culture and arts. For most of our 102 years in historic Japantown, we have operated as a non-profit, volunteer-based organization, committed to education, cross-cultural understanding, and community participation. We offer classes for pre-schoolers to adults, hold seasonal cultural events, house several martial arts schools, and provide the use of our spacious facilities to local and outside groups. We also work with the Downtown Eastside community in initiatives that help to revitalize the neighbourhood and to improve the living conditions of its residents.

## Central City Foundation

Since 1907, the Central City Foundation has been supporting programs that enhance the lives of people in need in the inner city. In addition to providing numerous grants to community organizations, the Foundation holds community assets that include the Abbott Mansions and the Cosmopolitan Hotel that provide safe, affordable housing to more than 100 downtown eastside residents, as well as properties in development as a community childcare and family centre in Strathcona and for BC's first long term Youth Drug and Alcohol Residential Treatment Facility.
